**Food & Dietary Notes** — Being Mormons, the Kirk Family does not consume alcohol. No other allergies or food intolerances. All pre-booked restaurants have been briefed accordingly. A non-alcoholic rose syrup and canestrelli have been arranged at Creattivando in place of wine. For the baby (Spencer, 1 year), dietary needs should be confirmed directly with each venue.

**Vehicle Note** — Mr. Spencer may occasionally remain in the transfer vehicle or proceed to the next stop independently. Please note that by Italian law, vehicles (minibuses and minivans) cannot remain stationary with the engine running to maintain air conditioning.
